

Members Notice

YOUR CLUB NEEDS YOU!

We have kicked off a new project to boost marketing and communication, both within the club and externally. As part of this, we would like to be able to communicate with members via email – we are planning to send you bulletins on club matters, forthcoming competitions, events, and so on. But more than that, this will enable two-way communication and we will be able to gain your input via short email surveys in a cost-effective and speedy manner.

If you aren't yet connected to the information superhighway (superfairway?!), don't despair! We will print a hardcopy of any bulletins and pin them to the main notice board. But if you do have email, then please help us to help you – we want to move club communications into the 21st century and emailing members is the way forward.

Send an email to info@cherrylodgegc.co.uk, and type 'MEMBER EMAIL' in the subject line. And, since some of us have one email for the whole household, please write the full names of all members that each email address relates to.

Thanks – we'll be in touch!
